KEY FEATURES

- Antibacterial plastic tested to inhibit 99.9% of bacteria growth
- Embedded WiFi in base means a clutter-free (cable-free) connection
- Base Speakerphone: hands-free conversations are easy with a touch of a button
- Remote configuration: program network parameters remotely to avoid disturbing guests
- Matte finish or glossy silver resists fingerprint smudges and scratches
- Fully customizable faceplate
- Available in Matte Black or Silver Black
- Supports Multicast Paging

Cordless Features

- Adjustable RF transmission power prevents interference
- Built-in speakerphone on both base and cordless handset
- Handset battery life: up to 7 hours of talk time with 5 days of standby time
- Expandable cordless system: up to a total of 4 cordless handsets
- Backlit handset dialpad
- Answer a call by simply picking up the handset from the charger
- DECT 6.0* technology eliminates interference from wireless networks and other wireless devices for superior sound quality
- Calls are digitized and encrypted, making eavesdropping nearly impossible
- Low battery indicator on cordless handset for easy maintenance
- Quickly locate all cordless handsets in the system using the Find Handset key
- Side handset volume control for easy access
- Pre-installed battery means quick installation

* This feature is available for US and Canada market only.

Phone Features

- Large, bright visual message waiting indicator
- Four programmable speed dial/guest service buttons on base
- Dedicated EMERGENCY and MESSAGE button, plus two additional speed dial/guest service buttons on handset
- Desk or wall mountable
- Hearing aid compatible
- Multi-step volume control (ringer, handset and speakerphone)
- Selectable ring tones
- Sturdy, solid construction ensures phone stays in place on the desk or nightstand
- Environmentally friendly RoHS program reduces the use of hazardous substances including lead, mercury and cadmium
- SIP configuration tool for easy mass deployment
